

Open the URL - <https://gem.gov.in/> and click on **Login**.

The screenshot shows the GeM (Government e Marketplace) website homepage. At the top, there is a navigation bar with options for language (English), dark mode, font size, and skip to main content. The main header includes the GeM logo, a search bar with the placeholder text "Looking for something on GeM?", and links for "Bids", "Sign Up", and "Login" (the "Login" link is circled in orange). Below the header is a secondary navigation bar with categories like "GeM Advantages", "GeM Exclusive", "Rate a Seller", "View Contracts", "CPPP tenders", and "Seller Details".

The main content area features a large banner for "Startup Runway". The banner text reads: "Discover innovative products and solutions from the finest Startups in India." Below this text is a blue button labeled "STARTUP RUNWAY". To the right of the text is a word cloud containing terms such as "founder", "startup", "market", "global", "tech", "reach", "analysis", "ecosystem", "mindset", "experience", "index", "local", "resource", "connectedness", "electronics", "sub", "life", "sector", "legacy", "talent", "funding", "dna", "output", "tech", "know", "growth", "market", "founders", "industry", "related", "attribution", "product", "innovation", "entrepreneur", "support", "community", "network", "knowledge", "connections", "ecosystem", "reach", "analysis", "global", "tech", "know", "growth", "market", "founders", "industry", "related", "attribution", "product", "innovation", "entrepreneur", "support", "community", "network", "knowledge", "connections", "ecosystem".

Below the banner is a blue bar with four icons and text: "Rich Listing of Products / Services", "Integrated Payment System", "Multiple Procurement Modes", and "Transparency and Ease of Selling".

At the bottom left, there is a "Ask GeMmy" button. At the bottom right, there are social media icons for Facebook, Twitter, YouTube, and LinkedIn, along with a notification bell and a close button (X).

The URL in the browser's address bar is <https://gem.gov.in/StartupRunway>.

Ask GeMmy

Following will be the landing page for **Meity Empanelled Cloud Services (Basic, Advance & Managed)**.

## Meity Empanelled Cloud Services (Basic, Advance & Managed)

Cloud has established its monetary & non-monetary benefits. Government Organizations cannot afford to miss on-boarding the Cloud bandwagon if they want to deliver their services to businesses and consumers resourcefully. However, Cloud Service Providers (CSPs), operating in India, have been offering differing and proprietary Cloud services, and it is very difficult for Government Organizations to compare and select Cloud services that can meet their business and IT requirements.

The Cloud services offered by the global and domestic CSPs vary significantly even if the services are intended to cater to the same requirements of the Government Organizations. The input parameters required to procure the Cloud services and the measurement / monitoring criteria used to bill the service consumers also vary greatly.

In order to assist the Government Organizations in selecting appropriate Cloud services from the plethora of offerings of CSPs, the common IT requirements of Government Organizations were identified and an attempt has been made to prepare a list of Cloud services, which are, to a reasonable extent, standardized across all CSPs. Though it is not possible to make an apple to apple comparison between Cloud services offered by various CSPs, the intent of providing this bouquet of Cloud services is to make Government Organizations aware of the common Cloud services which are being offered by the empanelled CSPs and which can be compared, to a reasonable extent, across all CSPs, before taking the decision to procure a Cloud service from a particular CSP.

The Cloud services offered by the global and domestic CSPs vary significantly even if the services are intended to cater to the same requirements of the Government Organizations. The input parameters required to procure the Cloud services and the measurement / monitoring criteria used to bill the service consumers also vary greatly.

In order to assist the Government Organizations in selecting appropriate Cloud services from the plethora of offerings of CSPs, the common IT requirements of Government Organizations were identified and an attempt has been made to prepare a list of Cloud services, which are, to a reasonable extent, standardized across all CSPs. Though it is not possible to make an apple to apple comparison between Cloud services offered by various CSPs, the intent of providing this bouquet of Cloud services is to make Government Organizations aware of the common Cloud services which are being offered by the empanelled CSPs and which can be compared, to a reasonable extent, across all CSPs, before taking the decision to procure a Cloud service from a particular CSP.

Click on **Add To Cart** against the Seller/Service Provider listed. The system shall ask if the selected option is to be added to the existing cart or a new cart is to be created. If we are bunching the service with the previous service, click on **Add to Existing Cart** else click on **Create New Cart**

The new service shall be added in the cart and can be viewed in the **Shopping Cart** thus created. If you wish to add new service to the same cart, repeat the above process else click on **Proceed to Checkout**.

The screenshot displays a shopping cart interface with a dark green header indicating 'Item Added to Cart'. The main content area shows a table of services, with one item highlighted: 'GeM Service Provider' (MySQL As A Service) with 12 units, 24 GB of storage, and a launch year of 2015. A 'SEE DETAIL' button is visible below the table. On the right, a 'SHOPPING CART - INTENT OF BUYING : BID' overlay is shown, containing a 'MULTI ITEM CART' section. This section lists the added item: 'Virtual Machine (Compute) - Government Community Cloud (GCC); CentOS Operating System; 8; 4; 1:2; Application; Primary DC; 100'. It also shows 'Item Added On: 29.09.2021, 10 days left' and 'Cost Per Virtual Machine (Per Month): 4851518'. The 'Number Of Virtual Machines' is 10. The subtotal is ₹ 147,607,934.67. Below the subtotal, there is a message: 'You Can Add More Items Of VPN Gateway, Virtual Compute On Demand ( Beyond MeITY List), Virtual Network, Web Application Firewall... 34 More'. At the bottom of the cart overlay are two buttons: 'VIEW ALL CART' (blue) and 'PROCEED TO CHECKOUT' (orange). The background interface includes a 'RAM (In GB)' filter with options 8, 16, 24 (selected), 32, 48, 64, 96, 128, and a 'Type Of Storage' filter.

The shopping cart may now be viewed in detail as per the below screens,

The screenshot displays the top navigation bar of the GeM portal, including the Government of India logo, GeM logo, and 75th Azadi Ka Amrit Mahotsav logo. The user profile 'Sonia Behl' is visible in the top right. Below the navigation bar is a search bar and a shopping cart icon. The main content area features a 'NOTIFICATIONS' section and a 'SHOPPING CART' section. The shopping cart contains one item:

Product Title	Number of Virtual Machines	Sub Total
 Virtual Machine (Compute) - Government Community Cloud (GCC); CentOS Operating System; 8; 4; 1:2; Application; Primary DC; 100 Item Added on 29.09.2021 <span>10 DAYS LEFT</span> <b>Cost per virtual machine (per month): 4851518</b> <b>Contract details:</b> <b>Duration:</b> 391 days <b>Start date:</b> Wed, 06 Oct 2021 <b>End date:</b> Mon, 31 Oct 2022 <a href="#">x Delete</a>	10	₹ 145,545,540.00

### Generic Clauses

Clauses

After award of contract – Successful Bidder shall have to get Detailed Design Drawings approved from buyer before starting fabrication. Successful Bidder shall submit Detailed Design Drawings for Buyer's approval, within days of award of contract. Buyer shall, either approve the drawings or will provide complete list of modification required in the drawings within days. Seller shall be required to ensure supply as per approved Drawings with modifications as communicated by Buyer. If there is delay from buyer side in approval of drawing– the delivery period shall be refixed without LD for the period of delay in approval of Drawing.

Actual delivery (and Installation & Commissioning (if covered in scope of supply)) is to be done at following address .

**Bidder financial standing:** The bidder should not be under liquidation, court receivership or similar proceedings, should not be bankrupt. Bidder to upload undertaking to this effect with bid.

Bidders shall quote only those products in the bid which are not obsolete in the market and has at least years residual market life i.e. the offered product shall not be declared end-of-life by the OEM before this period.

Bidders are advised to check applicable GST on their own before quoting. Buyer will not take any responsibility in this regards. GST reimbursement will be as per actuals or as per applicable rates (whichever is lower), subject to the maximum of quoted GST %.

Select the buyer added text based ATC clauses or upload the ATC document.

The screenshot displays a software interface with a sidebar on the left containing three menu items: "4. EMD/ePBG Details", "5. Splitting", and "6. T&C". The main content area is partially obscured by a modal window titled "Buyer Added Bid Specific ATC Clauses".

The modal window features a list of clauses with checkboxes:

- Clauses
- Buyer Added text based ATC clauses .
- Buyer uploaded ATC document .

The second option, "Buyer Added text based ATC clauses .", is highlighted with an orange rectangular border. Below the list, there is a red warning message:

These Additional Terms and conditions are being incorporated in the bid after due approval of the Competent Authority in Buyer Organization. I have also perused the existing ATC library of available for my organization at GeM and required clauses are not available there. I understand that the Buyer organization is solely responsible for the impact of these clauses on the bidding process, its outcome and consequences thereof including any eccentricity / restriction arising in the bidding process owing to inclusion of these conditions and due to modification of technical specification and / or terms and conditions governing the bid.

An "Add" button is located at the bottom left of the modal window.

To upload the document, select the respective option and click on **ADD**

Add the required file(s), and click on **Upload File**,

The screenshot displays a web application interface with a modal window titled "Update SLA Parameters". The modal contains the following elements:

- A header bar with the title "Update SLA Parameters" and a close button (X).
- A label: "Buyer uploaded ATC document ( upload only doc,docx file(s) )"
- A file upload area with a button labeled "+ Add Files".
- A red text warning: "Please note that only one word document as Buyer uploaded ATC document can be part of one bid and would reflect in the contract. If you have to make any change in the existing ATC Document, please upload a fresh document containing the original conditions as well as the new conditions. For removal of any clause from document - it is better to specifically write at the end of existing clauses that "clause no. of ATC document stands deleted". Only one document that is uploaded with the last corrigendum issued in a bid will be valid and will form part of bid and contract."
- An "Upload File" button at the bottom of the modal.

In the background, a sidebar menu is visible with items such as "4. EMD/ePBG Details", "5. Splitting", and "6. T&C". The main content area shows a list of items including "Generic", "OEM", "Inspection", "Payment", "Sample Cla", "Forms of EMD e", and "Financial Cr". A "Submit" button is also visible in the bottom right corner of the background interface.

Select **Buyer Added text based ATC Clauses** to add the additional conditions without uploading the file and click on **ADD**

The screenshot displays a software interface with a sidebar on the left containing three menu items: "4. EMD/ePBG Details", "5. Splitting", and "6. T&C". The main content area is partially obscured by a modal window titled "Buyer Added Bid Specific ATC Clauses".

Inside the modal window, there is a section labeled "Clauses" with a dropdown arrow. Two options are listed:

- Buyer Added text based ATC clauses .
- Buyer uploaded ATC document .

Below the list, there is a red text disclaimer: "These Additional Terms and conditions are being incorporated in the bid after due approval of the Competent Authority in Buyer Organization. I have also perused the existing ATC library of available for my organization at GeM and required clauses are not available there. I understand that the Buyer organization is solely responsible for the impact of these clauses on the bidding process, its outcome and consequences thereof including any eccentricity / restriction arising in the bidding process owing to inclusion of these conditions and due to modification of technical specification and / or terms and conditions governing the bid."

At the bottom left of the modal, there is a blue button with a white hand icon and the text "Add".

Enter the text based ATCs.

The screenshot displays a software interface with a sidebar on the left containing menu items: '4. EMD/ePBG Details', '5. Splitting', and '6. T&C'. The main content area shows a 'Buyer Added text based ATCs' section with a 'Submit' button. A modal dialog titled 'Update SLA Parameters' is open, featuring a text area with a red warning message and a rich text editor toolbar. The warning message reads: 'Please note that all Buyer added text-based ATC needs to be entered here and will form part of contract. If you are issuing a corrigendum, please retain the existing clauses of bid and append new clauses after that if you remove any existing clause, the same will no longer be part of bid and contract. For removal of clause - it is better to specifically write at the end of existing clauses that "clause no. of original bid or earlier corrigendum stands deleted".'
